

Editor Note on Open Access Journal of Science and Technology

Dear Reader

I am pleased to mention that during the year 2019, all the issues of Journal of Science and Technology, Volume 7 were published online within time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. The objective of OAJOST is to publish up-to-date information on aspects of Science and Technology.

As such, the journal aspires to be reliable source of information on discoveries and current information. Each issue of the journal contain different types of papers, mostly the first , regional spotlight; provides a short contemporary on an issue in the field of New techniques in Science and Technology. The other papers is related to awards in the field of Science and Technology.

I take the opportunity to acknowledge the contribution of Dr Koji Mikami during the final editing of articles published and support rendered by the editorial assistant, in bringing out issues of OAJOST in time. I would also like to thank all the Authors, Reviewers, Publisher, the Advisory and the Editorial Board of OAJOST, the office bearers and staff for their support in bringing out yet another volume of OAJOST and look forward to their unrelenting support to bring out the Volume 8 of OAJOST in scheduled time.
