International Conference on Nursing & Nursing Care

Rabiee Al Rashdi,

Planning and Development Expert, Oman, Email: rabieerash@hotmail.com

Nursing is one of the major healthcare professions that focus the care of every individual who seek medical help. Nursing Education comprises both theoretical and practical training especially providing for the nursing students to enhance their knowledge and skills. The nurse educators should transfer the key medical knowledge from nursing research to clinical practice for better nursing and health care quality. This field of medicine has become the major category in present world as the demand of healthcare professionals are more.

Nursing Care 2020 Conference provide a worldwide stage to all [nurses](#) and healthcare professionals to get to know most recent developments in nursing and healthcare field. Offering opportunity to go to the presentations conveyed by eminent experts from all over the world. Nursing Care 2020 Congress gives an approach to meet and develop your research and project ideas by networking with experts. This conference will have directors, faculties, researchers, analysts, or clinicians who are perceived specialists in the nursing and healthcare field. Nursing conferences unites people from various fields of nursing like psychiatric, cancer, cardiac, critical care, adult & women health, legal, pediatric and emergency nursing, midwifery, public health, healthcare and medicine from practice, research, administration, policy and education.

The nursing education and evidence-based practice conference is one of the best platforms to hear about the recent advancements and innovations in nursing practice. Most of the nurses are interested to enhance their knowledge and practice by learning the latest developments. And for them, the 8th World [Nursing Education](#) and Evidence Based Practice Conference is the best stage with the following benefits.

- To gain opportunity to meet and interact with experts in the field of nursing (After the conference sessions B2B meetings are arranged for the interactions)
